

Why have us book your rentals? The same reason the garage changes your oil, so you do not have to! We pass on the pre-booking discount so it's the same price as if you book it yourself. Pre-booking gives you the best price possible, up to 33% off the walk in rates. No one's holiday highlights include picking up their rentals. By pre-booking, your skis/boards are waiting for you, getting you in and out of the shop as fast as possible. If the idea of visiting the rental shop leaves you squeamish opt for our Chalet Service and let your rentals come to you.
